

Healthcare Realty Advisors is pleased to announce the completion of a 6,611 SF medical office space lease renewal in which it represented Ronald Ackerman, M.D., principal of Comprehensive Clinical Trials ("Tenant") for occupancy at 603 Village Blvd., West Palm Beach, Florida. Comprehensive serves over 400 sponsors, from small biotech to mega-cap pharmaceutical companies, and has completed hundreds of trials over its 20 year history.

Chad Costello of Healthcare Realty Advisors led the transaction activities related to the lease renewal negotiation process on behalf of Comprehensive Clinical Trials.

BACKGROUND Prior to Healthcare Realty Advisors, Costello amassed extensive experience in local and national healthcare real estate in senior leadership roles at the following companies:

- UnitedHealth Group: Director Real Estate, Clinical Mergers & Acquisitions
- Tenet Healthcare: Director Real Estate, Tenet Florida Physician Services

WHAT WE DO Healthcare Realty Advisors is a boutique commercial real estate firm specializing in healthcare assets. We represent tenants and property owners throughout Florida with a focus in Palm Beach, Broward and Dade Counties. Services provided include:

- Tenant Representation
